Character Selection

Choosing the right character in "Citizen Sleeper 2" is crucial for optimizing your gameplay experience. Each character comes with unique traits, abilities, and storylines that can significantly influence your approach to the game. Players must consider their play style and preferences when selecting a character.

Character Traits

Every character in "Citizen Sleeper 2" is designed with specific traits that impact their interactions and effectiveness in various scenarios. Here are some key traits to consider:

- **Strength:** A character with high strength can excel in combat and physical challenges.
- **Intelligence:** Characters with strong intelligence can solve puzzles and navigate complex dialogues.
- **Charisma:** High charisma allows for better negotiation and relationship building with NPCs.

- **Agility:** Agile characters are adept at stealth and evasion, useful for avoiding combat.

Understanding these traits will help you make informed decisions while playing, ensuring you choose a character that complements your gameplay style.
