Each of these objectives plays a significant role in progressing through Chapter 3. Players must be thorough in their investigations, ensuring they collect all necessary items and engage with the NPCs to gather more information. The interactions are not just for gathering clues but also for understanding the motivations behind each character's actions.

Puzzles and Solutions

Puzzles in New York Mysteries 5 are designed to challenge players and enhance the narrative experience. In Chapter 3, you will encounter a variety of puzzles that require logical reasoning and attention to detail. Below are some of the notable puzzles and their solutions:

Environmental Puzzles

Players will face several environmental puzzles that involve manipulating objects in the game world. One example is the locked door puzzle, where players must find a way to unlock it using clues scattered around the area.

Sequence Puzzles

These puzzles require players to arrange items in a specific sequence. For instance, you may need to place books on a shelf in the order of their publication dates, which can be identified through clues in the game.

Combination Puzzles

Combination puzzles often involve numbers or symbols. Players may encounter a safe that requires a specific numerical code, which can be derived from clues found during the investigation. Pay close attention to notes and character dialogues for hints.

Hidden Objects Locations

Finding hidden objects is a vital part of Chapter 3. These items are essential for solving puzzles and advancing the story. Below are some tips on where to find these hidden items:

- Check all corners of each scene for items that may be partially obscured.
- Interact with objects that look out of place; they might reveal hidden compartments.

- Pay attention to character interactions that may lead you to discover hidden items.
- Utilize the game's hint system if you're struggling to find a specific object.

Being thorough in your exploration will increase your chances of uncovering important hidden items that will aid you in your journey.
