His unique moral code dictates that he only kills those who have escaped justice, giving him a sense of purpose. This duality makes him one of the most fascinating characters on television. Dexter's complicated psyche and his struggle with his identity create a rich tapestry for storytelling, making a character quiz particularly intriguing.

The depth of Dexter's character lies not only in his actions but also in his relationships with other characters. His interactions with his adoptive sister Deborah, his father Harry, and other key players like Rita and the Ice Truck Killer, reveal different facets of his personality.
