Understanding French Regions

The French administrative geography is divided into 18 regions, which consist of 13 regions located in metropolitan France and 5 overseas regions. Each region has its own local government and is known for distinct characteristics, contributing to the overall identity of France. From the rolling vineyards of Bordeaux to the stunning coastal views of Provence, each region tells a story. Understanding the regions is crucial for anyone looking to dive deep into French culture, history, and geography.

The 13 Metropolitan Regions

In metropolitan France, the 13 regions are as follows:

- Aquitaine
- Auvergne-Rhône-Alpes
- Bourgogne-Franche-Comté
- Bretagne
