For instance, if your quiz is aimed at casual viewers, you might want to include more mainstream YouTubers, while a quiz for hardcore fans could include lesser-known creators.

Choose a Format

Decide how you want to present your quiz. Will it be multiple-choice, fill-in-the-blank, or true/false? Each format has its advantages. Multiple-choice questions can make it easier for participants to guess, while fill-in-the-blank questions might require more specific knowledge.
