If you're passionate about pro wrestling and want to share that passion with others, creating your own quiz can be incredibly rewarding. Here's a step-by-step guide to designing a quiz that will keep participants engaged and entertained.

Determine Your Audience

Before you start crafting questions, consider who will be taking the quiz. Are they casual fans, hardcore enthusiasts, or a mix of both? Tailoring your quiz to the knowledge level of your audience will ensure that it is both fun and challenging.

Choose a Format

Decide on the format of your quiz. Will it be a simple trivia quiz, a picture quiz, or a combination of different types? Think about how much time you have and how many questions you want to include.
